❖ Establishment of Online Grievance Redressal Mechanism : Yes

The Institution has constituted a mechanism to redress the grievances of staff and students at different levels. The Management, the Principal and Head of the department redress the grievances of the staff. The representation of deserving staff is given sympathetic favorable consideration by the management. The head of the department and the Principal take initiative to counsel the aggrieved staff. If necessary, their case is presented before the management. The problems of students concerned to academic and social fronts are mostly dealt with by staff. The Class teachers persuade students weak in studies and irregular in attendance. The academic doubts of the students are patiently clarified in and off the classroom. Students with undesirable habits are counseled for their reformation and improvement of their all-round performance. Wherever/whenever the immature students exhibit aggressive behavior against other students, special committees are formed to appropriately treat the guilty realize their errors and set right their conduct, and to mitigate the mental trauma of the affected students.
