HISTORICAL SKETCH

THE BEGINNING :

The Akkineni Nageswara Rao College is the result of munificence and zeal for higher education of the people of Gudivada Taluk and of the neighbouring taluks in Krishna District. Situated in a rich agricultural area midway between Vijayawada and Machilipatnam and connected by road, rail with the leading towns and villages in the district. Gudivada has always been a centre of great cultural and political activity and its citizens have played a prominent part in the life of the nation in general and in particular of Andhra Pradesh. In the education sphere too, a seat of higher learning was felt, and to meet this need a strong Committee of local leaders was formed early in 1950, and an appeal for funds was made by Sri Parvataneni Venkataratnam (President), Sri Uppalapati Veerabhadra Rao (Treasurer), Sri Kaza Venkataramaiah (Secretary), Sri Vemulapalli Ramabrahmam (Joint Secretary), Sarva Sri Vadde Sobhanadri, Lingam Venkata Krishnaiah and Upadrashta Papanna Sastri as members.

INAUGURATION OF COLLEGE

The College Organising Committee approached the authorities of the Andhra University in April, 1950 for permission to organize the institution and have it affiliated to the University. The Inspection Commission appointed by the University visited Gudivada in May 1950 and recommended affiliation. The College was formally inaugurated under the name "The Gudivada College" by Prof. V.S. Krishna, B.A. (Oxon), Ph-D (Vienna), Vice Chancellor of the University, on July 6, 1950 at a public meeting presided by Hon'ble Sri B. Gopala Reddy, Finance Minister, Government of Madras. The Secretary of the Organising Committee, Sri Kaza Venkataramaiah became the Correspondent of the College. Sri A.F. Thyagaraju was appointed as the first principal of the College.

ACADEMIC COURSES AND INFRASTRUCTURE :

In July 1951, the Biology, Physics and Chemistry group was opened and 94 students were admitted. In July 1952 the college was raised to First Grade and B.A. and B.Com. classes were opened. The year 1953 saw further progress. B.Sc. class with Zoology (Main) and Chemistry and Botany Subsidiaries was opened. Civics and Indian Administration were offered as optional subjects in Intermediate Course, and in Arts groups classes were opened in Sanskrit for Intermediate and in Hindi for B.A. In July 1957, the Pre-University course was started with eight combinations of optional subjects. In July 1958 the Three Year Degree Courses were started in the College, thus making our institution conform to the national pattern of the college at education.

A highlight of 1958 was formation of the college play ground at the new site which is the beginning of a new era in the history of the college. It is in the fitness of things to mention here that as much as fifteen acres of land was donated by the philanthropic villagers of Pedaparupudi and Bhushanagulla.

Additional land was purchased with donations of Rupees 60,000/- and 40,000/- by Pedaparupudi and Bhushanagulla farmers respectively.

As if to join the spree of donations, there were a few donations by understanding

individuals such as 3 acres of land by Smt. Mandava Rama Tulasamma, 1.12 acres by Sri Kolli Bhadracharya and 0.5 acres by Sri Vellanki Akkaiah Chowdary.

In February 1959, the next step forward was taken. The foundation stone for the new building was laid by Dr. V.S. Krishna, the then Vice-Chancellor. Work of the Construction began at once and the eastern wing of the ground floor came into being, a bare necessity for the Office of Principal, Laboratories and Library. Side by side with this, a spacious auditorium was also constructed named after Sri Yerneni Challamaiah, who donated about Rs. 60,000/-.

Since Sri Akkineni Nageswara Rao gave a donation of one Lakh rupees, the College was named after him from April 1959. Dr. Y.Venkateswara Rao, M.Sc., Ph.D., who succeeded Sri A.F. Thyagaraju could secure the active and willing co-operation of three popular doctors, Dr. A.V. Raghavaiah, Dr. T.L. Perumallu and Dr. P.L. Narasimha Rao for the completion of the remaining part of the building. Their hectic activity culminated in the collection of fairly handsome donations (about one lakh seventy five thousand rupees) from philanthropic public of Gudivada and neighbouring villages. To this was added, as promised, a sum of about rupees one lakh by Sri Akkineni Nageswara Rao and together with Govt. grants, the amount was utilised for the construction of the Western Wing of the Ground Floor and the First Floor of both eastern and western side of the main building. Teaching work had commenced in cement concrete rooms which is an achievement of our dream.

The next phase was our library. This was constructed on modern lines with maximum facilities for each category of the college population., students and staff. We are proud of our Library.

In accordance with a new pattern of education, the college started the new two year intermediate course from the academic year 1969-70. A new pattern of degree course (called New Scheme) with Main and Ancillaries was started with effect from the academic year 1971-72 with Telugu as the medium of instruction.

Another notable achievement is the starting of M.Com. Course in 1974 - 75 thereby becoming one of the handful of affiliated colleges in Andhra to have the privilege of offering instruction at the post graduate level.

The construction work went on uninterrupted and by 1975 gymnasium also was built, and has since been used by students and staff with great enthusiasm. Consequent of donation of twenty five thousand rupees, the gymnasium was named after Sri Kolli Lingaiah.

The notable structure that was constructed in 1976 is Yerneni Govindaiah Junior College Building funded (Rupees one lakh) by his son Sri Rama Chandra Rao for this purpose. It was completed by 1984 and has been used since 1985. The foundation stone for the post graduate wing was laid in 1985 and the construction of the building was completed in 1992.

The postgraduate department was shifted to the newly constructed wing during 1992-93. Foundation stone was laid for Post-graduate block on 22-8-94 by the then chairman of University Grants Commission, Prof. G. Rami Reddy. The construction of men's hostel was completed in 1996 with the assistance of UGC as a part of VIII Plan Developmental Projects.

The history of the College should place on record, the demise of Sri Parvathaneni Venkataratnam, Founder President. Sri Kaza Venkataramaiah, Founder Secretary and Sri Yerneni Venkateswara Rao, Vice President of the committee during 1975 and 1976 who were responsible for building up the college as we are today.

Sri Upplapati Veerabhadra Rao, the founder member of the College Management Committee, who served the college for over half century, passed away on 22nd August 2005 at the age of 87. He served the college in many capacities-Treasurer, Secretary & Correspondent and President. The College places on record his yeoman service.
